

PARKE HOUSE NURSING HOME

Parke House is a JCI accredited, modern 145 bed purpose built nursing home located just off the M4 motorway. It is designed and operated to ensure every comfort is afforded to our residents with the highest possible standards of accommodation, care and facilities.

Courtyard Cafe

Choose from a selection of tasty food & beverages or freshly prepared to order.

River Day Spa

Indulge in some pampering at the River Day Spa where we offer a wide range of hair and beauty treatments.

Reminiscence Town

Residents are welcome to visit our old town, a safe and secure remodelled street with shop fronts, old Irish road signs, P&T phone box, cast iron seating and street lighting.

Accommodation

We provide respite, long term and palliative care for secure and comfortable living in a professionally managed setting.

Physiotherapy Gym

Our gym contains a full spectrum of exercise equipment for strengthening, mobility, stairs & range of motion exercises. We cater for all types of orthopaedic surgeries, pre and post-operative management of joint replacements, neurological conditions, functional rehabilitation & geriatric rehabilitation.
